

ELECTRONICS & DEFENSE

B737 FAMILIES

From all-inclusive to custom-tailored support solutions

For 45 years Safran Electronics & Defense has been providing and has capitalized on its experience to continuously develop new-generation solutions featuring advanced functions and high reliability.

Today, building on this long experience and proven support services, our products have been chosen for the B737 families and 737 Max including FADEC (full authority digital engine control systems) via FADEC International and FADEC Alliance.

- **Certification: EASA, FAA, TCCA, CAAC**
- **A worldwide customer support network**

Safran Electronics & Defense is with you every step of the way, building in the intelligence that gives you a critical advantage in observation, decision-making and guidance.

B737 FAMILIES

A wide support network for every customer
